Hi,

I would like to introduce myself. My name is Bob Stablum and I will be the new **SKIP** director. Unfortunately, Louise has decided to retire. I hope that I can fill her shoes because she and **YOU** have made **SKIP** what it is today. I hope that the relationship you have had with Louise will continue with me. Working together we can continue to do great things for the county. I know I am excited about my new position, and hope to build on what **SKIP** has accomplished.

Please feel free to contact me with any questions, concerns, or ideas you may have concerning any projects for the future or ideas about changes for existing projects.

I would like to thank you for your continued support and know that together we can keep Schuylkill County pretty.

Sincerely,

A handwritten signature in black ink, appearing to read 'Bob Stablum', written over a light blue horizontal line.

Robert J. Stablum
